

St. Andrew's On-the-Sound Preschool
2008-2009 Permission for Directory and Pictures

Do we have your permission to publish your name, address, e-mail and phone numbers in the preschool directory? This is a great way for parents to contact each other about school functions as well as set up play dates. If you decide not to participate, we will not publish your information or make this directory available to you.

St. Andrew's Preschool will soon have a link on our church website and will be able to post updates, information and pictures of our children at play. We are asking that you circle below to give us permission to use pictures of your children for the web page, newspaper or the church bulletin also. Thank you in advance.
